

# TEAMTALK™ FOR PLANT TOURS

25 years  
CAVCOM INC.

**TeamTalk™** is a duplex communication system that allows leaders and attendees to communicate live, without delay and without pushing a button. Instead, users experience natural open conversation, just like a conference call. Clear communication is critical to keep tour attendees engaged. Nothing, and we mean nothing, provides the level of clarity and overall ease of communication as **TeamTalk™**. Choose the communication accessory that's right for your team.

- Hands-free communication
- Unmatched noise-cancelling technology
- Hearing protection: NRR options up to 32
- Up to 9 duplex users
- Unlimited push-to-talk or listen-only users
- FCC license-free communications
- Weather-resistant construction
- FREE trials available
