

NEW Custom Earset from CavCom

Sep. 9, 2024

CavCom is pleased to offer a new custom earset option for all of our quality electronic earsets: [Talk Through Your Ears®](#), [RadioGear®](#), [Phantom™](#), and [CellEarz™](#). This custom-made earset is constructed of sleek black silicone and provides excellent acoustics, reliable performance, and long-term savings - a compelling return on your investment:

- Soft and pliable
- All-day comfort
- Secure grip - holds seal during movement/talking
- Durable
- NRR 26
- 90-day fit guarantee
- 1-year warranty
- Order using existing [ear impression](#) on file from CavCom or schedule an ear impression session

With our new silicone option, CavCom now offers two styles of universal fit and two styles of custom molded earsets. You choose the earset that's right for your work environment, operational demands, and personal preferences. [Contact CavCom](#) today to learn more and find out which earset is right for you and your workforce.
