

Foam Earplugs

Basics made better

Extreme Comfort and Outstanding Noise Reduction

CavCom's disposable foam earplugs feature soft, slow-recovery foam for extreme comfort and outstanding noise reduction. Simple to roll down and insert, our earplugs expand slowly delivering a low-pressure fit to nearly any size ear canal. Choose bell- or wing-shaped for consistent protection and easy removal. Corded, uncorded and metal-detectable options are available. Conveniently packaged in individual polybags or sturdy dispenser stations.

Simple Insertion

Low-Pressure Fit
